

Work, Health and Safety Policy

COMMITMENT

TS Global is committed to maintaining a safe and healthy workplace for our employees, contractors and visitors that is injury and fatality free. We set high standards to continually improve our Work, Health and Safety (WHS) performance as we strive to achieve our goal of zero harm and industry leading practice.

OBJECTIVES

To achieve this goal, TS Global's objective is to implement and maintain a WHS Management System in accordance with the Australian Standard AS4801 and Comply with WHS Legislation and all other relevant Legislation, Standards and Codes of Practice including:

- Regularly reviewing our WHS performance, providing visible leadership and direction to make corrections or improvements at every level.
- Fostering and maintaining a positive safety culture, behaviour and awareness through the acknowledgement of individual and team performance, health and welfare programs for all employees and up skilling our Management and Supervisory personnel in leadership.
- Providing regular information, instruction and training to ensure every employee understands their responsibility to take reasonable care for their own health and safety and to ensure that their actions or omissions do not adversely affect the health and safety of others.
- Encouraging employees to participate in, and contribute to, activities directed at continuous process improvement.

MONITORING

TS Global will maintain a suite of procedures as part of our WHS system, outlining how and when this policy is applied. Additionally, we will implement annual WHS improvement plans with measurable objectives and targets with a high focus on proactive safety processes.
